North Brest Collector's Office

Chittor 23 February 1879.

From.

H. S. Whiteside Esquire
Collector of North Brest

To.

J. H. Garstin Esquire
Secretary to Government
Revenue Department

Dear Sir.

Sir,

x 8000507A
9 28. 1-79.

In continuation of my
letter No 41 dated 17th instant, I have
the honor to report for the information
of Government that I have made
careful enquiries but have not
been able to discover in this District
persons properly qualified, who could
be safely entrusted with the important
duty of checking and auditing the
balance of Grain & Mills remaining
to be adjusted, and, in view of the
peremptory orders of Government
requiring the immediate adjust-
ment of all such accounts I
decided

decided, in anticipation of sanction, on setting Arishtavami Iyer the Acting Treasury Deputy Collector to work on the Bills of the Chittoor and Palawanair Taluqs from April 1898 to December 1898, which I was aware were all arranged ready for audit.

2. These accounts refer almost exclusively to Expenditure on Relief in Camps and on Village Dole. The adjustment of such Bills is a much easier matter than the disposal of those for works which necessitate the examination of a very large number of separate vouchers, and the Deputy Collector during the past week has been able to audit Bills in those Taluqs to the amount of Rs 40,000-7-6. Mr. Trithany Iyer, the Assistant has made very satisfactory progress and has sent down to the Accountant General Bills to the amount of Rs 70,000, thus reducing the unadjusted balances to Rs 1,10,000-7-0.

3. I hope that my action, and

and the progress made in the work of audit will meet with the approval of His Grace the Governor.

4. I find that my Head Caristadar will be able to conduct the audit of ^{the} Bills in the other Taluqs as mentioned in my letter above quoted without the aid of any additional establishment, the clerks on the regular Establishment being employed to assist him.

I have the honor to be

Yours most respectfully

H. S. Whitfield
Collector.
