GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

31st August 1880, No. 1,052.

READ THE FOLLOWING PAPERS:—

No. 416. From R. W. BARLOW, Esq., Commissioner of Nilgiris, to C. G. MASTER, Esq., Secretary to Government, Revenue Department, dated Ootacamund, 30th April 1880, No. 38.

With reference to G.O., 3rd January 1880, No. 2, I have the honor to submit the usual proposition statement of increases sanctioned by the Madras Government in the establishment of the Chinchona Department, and to request the early sanction of Government to the same being brought into force in the current month as provided in the budget.

2. *Manager's Salary.*—The present pay of the Manager is Rs. 80, and that proposed Rs. 120. During the late Superintendent's lifetime, the Manager was provided with free quarters, but owing to there being no quarters for the Assistant Overseer, the present Manager has had to forego this boon. The work and responsibility of the incumbent has considerably increased since the death of the late Superintendent, and I beg that Government will consider whether the present Manager's increase may not have retrospective effect as in the case of the other subordinates of the department.

3. *Clerks' Salaries.*—The pay of the clerk of the office and of the Dodabetta plantation were increased from Rs. 15 to Rs. 35, by G.O., No. 20, dated 6th January 1879, owing to the difficulty of obtaining even reasonably intelligent men on these Hills at Rs. 15; an increase of Rs. 15 is now proposed for the clerk at Naduvatam. This officer has the accounts and correspondence of three estates to look after; and, taking into consideration that the transport of supplies from Ooty must make a large hole in his salary, I think that Rs. 50 is not too much for a good clerk at this place.

4. I would remark here that special knowledge is nearly as much required by the writing establishment of the Chinchona plantations as for Superintendents and Overseers.

5. *Overseer's Salary.*—An increase of Rs. 20 is proposed for this officer. During the Assistant Superintendent's absence at Ooty or elsewhere, he has the sole responsibility of his charge. Moreover the present incumbent has been for some time in the department and has proved himself a valuable assistant to Mr. Rowson. A small increase of one rupee is proposed for the two peons on the Naduvatam plantations to compensate them for the dearness of the place owing to its distance from any market town.

No. 417. From the same officer. Statement of Proposition for Revision of Establishment of the Chinchona Department, dated 30th April 1880, forwarded through the Accountant-General.

ORDER THEREON, 31st August 1880, No. 1,052.

Miscellaneous.

* G.O., 6th January 1879, No. 20.

In the budget* estimates of the Chinchona Plantations for 1879-80, the Commissioner of the Nilgiris provided for an increase of 20 rupees to the pay of a clerk in his own office and of another employed at the Dodabetta Plantation.

† G.O., 3rd January 1880, No. 2.

Similarly in the budget† estimates for 1880-81, provision was made for an increase of Rs. 40 to the salary of the Head Clerk or Manager in the Commissioner's own (Chinchona) office, and for the increases noted in the margin to the pay of certain members of the establishment on the Naduvatom plantations.

2. The provision in all these cases was allowed to stand, but the Commissioner was informed that the proposed additional charges must not be incurred without express sanction.

This is now sought, but the Government see no grounds for the proposed increases in the case of the Naduvatom establishment.

3. The pay of the Head Clerk in the Commissioner's Office will be fixed at Rs. 100 in consideration of his no longer being provided with free quarters, and the pay of the clerks referred to in paragraph 1 will be raised to Rs. 35, being the amount drawn by the clerk at Naduvatom. It must be understood that these higher rates of salary cannot be drawn unless, and until, sanctioned by the Government of India.

4. The proposition statement submitted by the Commissioner, which has been duly verified by the Accountant-General, will be revised accordingly and forwarded to the Government of India, through the Financial Department, with the recommendation that the proposed increases take effect from the 1st April last, provision having been made in the current year's budget.

Increased work & responsibility in proportion to the increased demand is submitted as the general reason but in his letter Mr. Barlow points out that the clerks on 15-10s are not paid enough for the Virgin. This is true & their increase might be allowed but the "manager" seems hardly to deserve his increase tho: up to last year he was horse free.

As regards the Addisvatten Overseer & clerk appears it is submitted that no case is made of these men with if the increase is allowed, receive more than their fellows on the other plantations and the Overseer being directly under Mr. Rowson's eye has 1/2 responsibility.
