Revenue Department

Proceedings of the Board of Revenue

Dated 28th November 1879

Read the following letter from W. S. Whiteside, Esquire, Collector of North Arcot to the Acting Secretary to the Board of Revenue, dated 11th November 1879, No. 390.

In L.D. dated 6th ultimo, No. 3457, communicated with Board's Proceedings dated 17th Idem, Mis. No. 9780, the Government direct that the charge of Rs 36-8-8, incurred in sending certain *Leuichona* plants from Mettaporen to this District should be debited to the Forest Department by which the experiment is being carried out. I beg have respectfully to state that the experiment was originally undertaken by the Revenue Department under the personal directions of His Grace the Governor communicated to me at Vellore at his last visit, and the whole of the arrangement connected therewith have been made under my personal orders without reference of any kind to the Conservator of Forests, and the charges incidental thereto have hitherto been borne by the Jungle Conservancy Fund. I have the honor therefore to request that

that the Board will be pleased to move Government to sanction the charge of Rs 36. 8. 8 incurred in sending the Guichara plants from Mattapolein to this District being debited to Jungle Conservancy Fund; so that the entire expenses connected with the experiment may be debited to our head of account while the supervision of the plantation will remain as heretofore with me. I am happy to say that so far the young plants are doing very well, and the experiment promises to be a success.

Submitted for the sanction of Government.
