ENCLOSURE No. 2.

From W. DONALD, Esq., Officiating Deputy Accountant-General to the Government of Madras, to N. A. ROUPELL, Esq., Acting Commissioner of Nilgiris, dated Fort St. George, 26th October 1880, No. 3,694.

WITH reference to your letter, No. 215, dated the 20th October 1880, I have the honor to inform you that G.O., 12th September 1879, No. 1,862-A, was not communicated to this office. I consider it to have been cancelled by G.O., 26th July 1880, No. 879, and request, therefore, that you will send me a revised valuation statement omitting the deduction on account of carriage to London.

2. I shall feel obliged if you will also send me the Government Orders of August and September 1880, marking on them the rates which you have fixed for each kind of bark, to enable me to check the revised statement which I now call for.

No. 284. From W. DONALD, Esq., Officiating Accountant-General, Madras, to the Secretary to Government, Revenue Department, Madras, dated Fort St. George, 11th December 1880, No. 4,679.

WITH reference to Proceedings of Government in the Revenue Department, No. 879, dated the 26th July 1880, I have the honor to forward, for the information of His Grace the Governor in Council, copy of my letter, No. 4,588, dated 7th December 1880, to Messrs. Dymes and Co., and of their reply, dated 8th December 1880, in which they admit that the action of the Commissioner of Nílgiris in deducting from the value of the Chinchona bark supplied the cost of carriage to London was erroneous.

2. I deem it right to report this, as the Commissioner of Nílgiris has informed me in his letter, No. 243, dated 30th November 1880, that he has addressed Government direct regarding the deduction he made.

3. I would add with reference to the other part of Messrs. Dymes and Co.'s letter that I have asked the Commissioner of Nílgiris why he intimated to Messrs. Dymes and Co. the price of the bark before it had been fixed in communication with me, as required by paragraph 4 of the Government Order referred to above.

ENCLOSURE No. 1.

From W. DONALD, Esq., Officiating Accountant-General to the Government of Madras, to Messrs. DYMES and Co., Madras, dated Fort St. George, 7th December 1880, No. 4,588.

IN continuation of my letter, No. 3,695, dated the 26th October 1880, I have the honor to enclose a Valuation Invoice for Rs. 13,318-4-8 on account of Chinchona bark supplied to you by the Commissioner of Nílgiris as per G.O., Revenue Department, No. 879, dated 26th July 1880, and to request that you will be good enough to pay the amount (Rs. 13,318-4-8) into the Bank of Madras at your earliest convenience, giving intimation to this office of your having done so.

2. The deduction of Rs. 491-0-4, made by the Commissioner on account of carriage to London, has not been accepted by me, as it seems opposed to the above-mentioned Government Order. The rates themselves as fixed by the Commissioner must be considered to be merely approximate, as I am still in correspondence with the Commissioner about them. If any refund to your firm eventually becomes necessary, it will be duly paid to you, and if any further sum is due by you, you will be called upon to pay the same.

ENCLOSURE No. 2.

From Messrs. DYMES and Co., Madras, to W. DONALD, Esq., Officiating Accountant-General, Madras, dated Madras, 8th December 1880.

IN reply to your communication No. 4,588, of 7th instant, we have the honor to state that on first receiving a Valuation Invoice for 50 bales of Chinchona bark from the Acting Commissioner of the Nílgiris amounting to Rs. 12,827-4-4, we rendered our accounts accordingly to our principals and were not prepared to hear that the amount was subject to your correction.

2. When we understood that you disapproved of the deduction made for carriage to London, and considering that you were right in the construction you put on the Government Order, we wrote to our friends for permission to pay the extra amount, should you demand it. To this application, we have not yet had time for a reply, but we will take upon ourselves the responsibility of paying the full amount, as although we did not notice the matter when the Commissioner rendered his account, we are sure that our principals will allow that the deduction should not have been made.

3. We cannot at present undertake any re-adjustment in reference to the prices charged, which should have been correctly arrived at by the Commissioner and yourself in the first instance, but should you have again to address us on the subject, we shall be happy to refer the matter for the consideration of the firm for whom we are acting.

4. We have this day paid to the Bank of Madras the sum of Rs. 13,318-4-8.
