No. 83. READ THE FOLLOWING PAPER:—

Despatch from the Right Honorable the Secretary of State for India.

Revenue,
Mis. No. 4.

INDIA OFFICE, LONDON,
15th January 1880.

MY LORD DUKE,—I have received your Grace's letter, No. 37, of the 2nd December last, transmitting the report of the Commissioner of Nilgiris on the Government Chinchona plantations for the official year 1878-79, together with copies of your orders thereon.

2. This report is satisfactory. The plantations have been maintained in good condition and realized a net profit of Rs. 3,27,583, exclusive, however, of charge for interest on balance of capital outlay. So far as I can ascertain from the present report, and from information contained in that by the late Chinchona Committee, the capital charge against the plantations at the end of 1878-79 was not more than about Rs. 2,34,000, and at the end of the current year this will have been cleared off altogether. I desire that a Capital and Revenue Account of these plantations to the end of 1879-80 may accompany the next annual report.

3. I notice with particular satisfaction the greatly increased number of plants and amount of seed distributed during the year under review.

I have, &c.,
