Boundaries.

Read the following paper:—

No. 3. *From W. J. CUNNINGHAM, Esq., B.C.S., Secretary to the Chief Commissioner of Mysore, General Department, to the Chief Secretary to Government, dated Bangalore, 23rd September 1880, General No. 4645—G. 1178.*

I am directed by the Chief Commissioner to forward an extract from the Chief Commissioner's Proceedings* sanctioning a temporary establishment of a Clerk, an Assistant Clerk, a Duffadar and six peons, at a cost of Rs. 115 per mensem, for the Mysore-Canara Boundary Commissioners, and I am to inquire whether His Grace the Governor in Council concurs with the Chief Commissioner, and will accept for Madras half the expenditure on account of establishment and contingent charges.

ENCLOSURE No. 1.

Extract from the Proceedings of the Chief Commissioner of Mysore, No. 4629—G. 1173, dated Bangalore, 23rd September 1880.

Read letter, dated 20th September 1880, from Captain MACINTIRE, Commissioner for the settlement of the boundary between Mysore and Canara, proposing an Office Establishment for himself and the Madras Commissioner.

Order, No. 4629—G. 1173, dated Bangalore, 23rd September 1880.

In accordance with the suggestions contained in the above, in which Mr. Sturrock concurs, the Chief Commissioner is pleased to sanction the entertainment temporarily from the 1st November for six months or until the field work of the Boundary Commissioners is finished, whichever is the prior date, of the following Office Establishment:—

	Rs.
1 Clerk	50
1 Assistant Clerk	15
1 Duffadar	8
6 Peons at Rs. 7 each	42

the total monthly cost of it being Rs. 115.

2. The Chief Commissioner believes that this establishment is framed on the most economical basis possible. It is for the work of both Commissioners, and therefore the Government of Madras will be asked to bear half the cost.

3. For clearing jungle erection of boundary marks and the like incidental works involving expense, the Commissioners will hold a permanent advance of Rs. 200 to be accounted for and recouped under the rules in force for contingent expenditure. When these sums are finally adjusted, the Government of Madras will be asked to reimburse Mysore in half the cost.

(Signed) W. J. CUNNINGHAM,
Secretary.

No. 4. ORDER THEREON, 8th October 1880, No. 457.

His Grace the Governor in Council concurs with the Chief Commissioner, and accepts a moiety of the charge.
