GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

1st April 1880, No. 386.

No. 1. READ THE FOLLOWING PAPERS:—

From R. W. BARLOW, Esq., Commissioner of Nilgiris, to C. G. MASTER, Esq., Secretary to Government, Revenue Department, dated Ootacamund, 24th February 1880, No. 360.

WITH reference to paragraph 1 of G.O., No. 81, dated 22nd ultimo, I have the honor to state that no statistics regarding the propagation of Chinchona from cuttings are available, no records having been hitherto kept as our propagation is chiefly from seed, the figures for which are given in Statement 1 (a) recorded in G.O., No. 2,171, dated 8th November last.

2. On the 28th November last, I issued a circular (copy enclosed) to the Nilgiri and Wynaad planters, requesting them to furnish me with the information required by the Government of India. Of the thirty-three to whom the circulars were issued, only eighteen have replied. I enclose a statement giving the information so far as received, but beg to remark that it is *far* from being anything like a true return. One gentleman, Mr. Money of Devashola, who has the largest Chinchona estates on the Nilgiris has entered in all the columns of the statement, except the last, "unknown," and the outturn as "satisfactory;" others who have Chinchona have not replied at all.
