Proceedings of the Board of Revenue, dated 22nd March 1880, Miscellaneous No. 3,305.

Read the following letter from R. W. BARLOW, Esq., Commissioner of the Nilgiris, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Ootacamund, 12th March 1880, No. 35:—

ADVERTING to G.O., No. 104, of the 28th January last, recently received, and with reference to Board's Proceedings, No. 846, of 31st March 1879, disposed of in G.O., No. 1,460, dated 11th July 1879, I have the honor to report that Mr. Schmidt now requests that 30 acres, out of the 131.67 acres applied for, which he will point out may be demarcated and made over to him for mining, the terms of the lease being settled hereafter when the Secretary of State's instructions have been received.

2. Mr. Schmidt is ready and anxious to commence operations at once, and I see no objection to the course proposed.

SUBMITTED for the orders of Government.

No. 242. Proceedings of the Board of Revenue, dated 24th March 1880, Miscellaneous No. 3,435.

Read the following letter from R. W. BARLOW, Esq., Commissioner of the Nilgiris, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Ootacamund, 19th March 1880, No. 42:—

I HAVE the honor to submit, for the favorable consideration of the Board and Government, an application (to be returned) from Mr. W. Lonsdale of the 18th instant for 30 acres of land adjoining his "Godbrook" property in Cherankod Amshom, South-East Wynnad, for mining purposes.

2. The grant to Mr. William Hamilton, a partner in the "Godbrook property," alluded to in the application was made under the Durkhast Rules, with a special proviso that mineral rights were reserved to Government. It comprises two lots aggregating 22 acres. The present application of Mr. Lonsdale is, therefore, in effect to convert this assignment into a mining grant, with 8 acres more of Government waste added to it to make up the maximum area allowed for mining purposes under the recent orders of Government, but I see no objection to the same.

3. The position of the 30 acres is approximately shown in yellow on the rough sketch received with Mr. Lonsdale's letter herewith submitted.

4. On the sanction of Government being received, the land will be demarcated and surveyed at the cost of the applicant.

SUBMITTED for the orders of Government.

Read the following letter from R. W. BARLOW, Esq., Commissioner of the Nilgiris, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Ootacamund, 19th March 1880, No. 41:—

I HAVE the honor to submit, for the favorable consideration and sanction of Government, an application (to be returned) from Mr. H. A. Severn, Mining Engineer, dated 10th ultimo, together with the plan therewith received.

2. Mr. Severn applies for 50 acres, but the recent orders of Government permit of an area of 30 acres only being granted, and the grant, if sanctioned by Government, will be restricted to this area in the survey and demarcation of the plot.

SUBMITTED for the orders of Government.

No. 244. ORDER THEREON, 26th April 1880, No. 476.

Miscellaneous.

THESE and future applications of like nature will be dealt with by the Commissioner in a similar manner to

that of Mr. J. W. Minchin disposed of in G.O., 10th February 1880, No. 151.

2. Applicants must define the blocks desired by them, which must not be in excess of 30 acres, and will be demarcated and surveyed at their expense, and then, if free from objection, made over to them on the understanding that a lease will be given to, and accepted by, them as soon as the Secretary of State's directions as to the terms for gold-mining leases are received.
