GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

28th April 1880, No. 477.

No. 245. READ THE FOLLOWING PAPER:—

Proceedings of the Board of Revenue, dated 6th December 1879, Miscellaneous No. 11,520.

From C. BENSON, Esq., M.R.A.C., Acting Superintendent, Government Farms, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Saidápet, 18th November 1879, No. 1,302.

With reference to the marginally-noted papers, I have the honor to request that I may be informed whether it is intended to hold an Agricultural Exhibition in the early part of 1881.

G.O., No. 899, dated 9th June 1875.
" " 797, " 14th " 1876.
" " 2,152, " 29th " 1877.

2. From the papers quoted, it will be seen that the idea of holding an exhibition has been postponed from year to year since 1876. No proposal was made to hold an exhibition this year, nor in 1880, so that by 1881 seven years will have elapsed since the last was held, and it would be advisable, I think, for various reasons to arrange for one then. The various causes which have caused postponement in previous years have disappeared, and the value of such an exhibition in attracting attention to agriculture and as an educational means is very great.

3. If the proposal be approved of, I request that the prize list, forwarded with this office letter, No. 205, dated 21st April 1875, may be returned to me with the Board's orders for its revision.

4. I would suggest that the preliminary arrangements for the exhibition should be made by me under the orders of the Board, or of some Member of the Board.

5. It is highly desirable that the lists, should be in circulation by April next, if the exhibition is to be held.

6. It is questionable whether, now that the South Indian Railway is opened, such a show might not as well be held at Saidápet as in Madras, for no doubt the Company would run special trains to and from Saidápet if those already provided were found insufficient.

SUBMITTED for the orders of Government.

2. The country is still far from having recovered from the effects of the famine; the Board think consequently that an Agricultural Exhibition is not desirable.
