GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

28th April 1880, No. 492.

No. 275. READ THE FOLLOWING PAPER:—

From Colonel R. H. BEDDOME, Conservator of Forests; to C. G. MASTER, Esq., Secretary to Government, Revenue Department, dated Ootacamund; 15th April 1880, No. 31.

REFERRING to paragraph 12 of my report, recorded in Board's Proceedings,*
* Vide G.O., No. 250, dated 1st March 1880. No. 180, of the 4th February last, I have the honor to inform you that the Ceara rubber plants have stood the season of drought well, and as showers and moister weather have now set in at Nilambúr, I consider the experiment of their introduction quite successful. The tallest plant is now 21 feet high and 10 inches in girth at the base, another is 19 feet high and 12 inches in girth at base.

2. The Hevea plants are also, I am glad to say, growing superbly, three of them are $9\frac{3}{4}$ feet in height.

No. 276. ORDER THEREON, 28th April 1880, No. 492.

Forests, No. 17.

RECORDED.

(True Extract.)

(Signed) C. G. MASTER,
Secretary to Government.

To the Conservator of Forests.
„ the Board of Revenue.

Exd. W. H. French.

No. 31.

Office of Conserv. of Forests,
Ootacamund, 15th April 80

From,

Colonel R. H. Beddome,
Conservator of Forests.

To,

C. G. Master Esquire,
Secretary to Government
Revenue Depart.
Ootacamund.

Sir,

Referring to para. 12 of my
report, recorded in Board's Proceedings
* vide G.O. 250 dated 1st March 1880. No. 180 of the 4th February
last, I have the
honor to inform you, that the Ceara
rubber plants have stood the
season of drought well, and as
showers and moister weather
have now set in at Nilambur
I consider the experiment of
their introduction quite success-
ful. The tallest plant is now
21 feet high and 10 inches in
girth at the base, another is
19 feet high and 12 inches in
girth at base.

2. The Ficus plants are
also I am glad to say growing
superbly

Superbly, three of them are
9 $\frac{3}{4}$ feet in height.

I have the honor to be

sir,

Your most obed^t serv^t
Frederick W. Colver
Conservation of Forests.
