No. 533.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 21st April 1880.

Read the following letter from G. STOKES, Esq., Acting Head Assistant Collector of Coimbatore, to W. WILSON, Esq., Collector of Coimbatore, dated Pollachi, 18th March 1880, No. 83:—

IN submitting herewith an arzi from the Palladam Tahsildar, No. 62, dated 21st February 1880, I have the honor to ask attention again to this office letter, No. 201, dated 19th August 1878, and to the correspondence connected therewith as marginally noted.

* G.O., No. 1,980, of 10th December 1878.

2. There is at present an arrear of Rs. 4,28,000 in the Palladam Taluk. This arrear can only be worked off by the extensive resort to coercive process in connection with which an immense amount of writing work will have to be performed, which it is quite impossible for the present staff to get through. The Jammabandi too of this taluk will commence in a short while and will be exceptionally difficult this year. It is, I hope, therefore unnecessary for me to dwell at length on the hardship on the Tahsildar and Taluk Office generally if it be allowed to continue in its present weak state or on the obvious incongruity of giving only eight gumastahs to a large and heavy taluk like Palladam, while the establishment, according to the sanctioned scale for any similar taluk, is nine. The establishment of this taluk has hitherto been enabled, with some approach to success, to cope witht he work thrown on it owing to the exceptional energy and industry of the Tahsildar alone. When a weak Tahsildar came to the taluk the work at once fell into confusion.

3. I have the honor to suggest, therefore, that as a special case, and as the bar raised by the Order of the Government of India quoted is now doubtless inoperative, the entertainment of the additional gumastah for the Palladam Taluk may now be submitted to the Government of India, the necessity for which has been been admitted by Government in the correspondence quoted above.

No. 48.

SUBMITTED for the favorable consideration of the Board of Revenue and Government.

2. The necessity of making up the Palladam Taluk establishment to the full sanctioned strength is unquestionable and has been already acknowledged by Government.

3. The arrears of Palladam and the other taluks of the district with suggestions regarding them was the subject of this office No. 42, dated 1st April 1880.

COIMBATORE,
8th April 1880.

(Signed) F. H. HAMNETT,
for Collector.

SUBMITTED to Government with reference to G.Os., dated 11th October and 10th December 1878, Nos. 1,649 and 1,980.

2. The necessity for the additional clerk has been fully admitted, and, as the financial pressure has been alleviated, the Board support the application.
