RESOLUTION.—In the Resolution of the 9th January 1880, the Government of India sanctioned the adoption of a system of export of salt by sea under bond without prepayment of duty from the ports of Bombay and Kurrachee to Calcutta. On a representation from the Government of Madras, this system was extended to shipments of salt to Calcutta from the port of Madras.

2. The Government of Madras has, in a recent case, authorized the exportation, under bond without prepayment of duty, of a quantity of salt to Calcutta from the ports of Cannanore and Beypore, and in the letter, No. 401, of the 3rd instant, that Government observes that what is required is that the Bombay system should be made applicable to shipments to Calcutta from any port in the Madras Presidency.

3. On reconsideration of the question, the Governor-General in Council sees no reason for confining export under bond to the three ports of Bombay, Kurrachee, and Madras, and is accordingly pleased to resolve that the export of salt under bond, in accordance with the principles laid down in the Resolution of the 9th January, may be permitted to British Indian ports from any ports in the Madras and Bombay Presidencies where the Local Government is satisfied that the practice may be allowed without risk to the revenue.

ORDERED that a copy of this Resolution be communicated to the Governments of Madras and Bombay, for information and guidance.

Also, that a copy be forwarded to the Government of Bengal and to the Chief Commissioner of British Burma, for information.
