No. 265.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 21st February 1880.

Read the following letter from R. W. BARLOW, Esq., Commissioner of Nilgiris, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Ootacamund, 14th February 1880, No. 25:—

In forwarding the enclosed copies of correspondence which has passed between me and the Collector of Malabar and the Deputy Superintendent of Survey, and a plan (A) received from that officer, I have the honor to request that the tract north of the blue line surrounded by red may be included in the Nilgiri District; the Collector of Malabar has no objection.

2. I know the locality well. It is included in the Attapadi suit, I understand, now pending before the High Court, in which Government is defendant; but whether the tract is ultimately decreed to Government or not, it is situated above the slopes, and can be more conveniently managed from here than from Calicut.

3. The map (B) shows the slopes and position of the tract generally as regards this district.

ENCLOSURES Nos. 1 to 7.—Copies of correspondence.

ENCLOSURES Nos. 8 and 9.—Maps.

SUBMITTED for the orders of Government.

2. The transfer is proposed in connection with the settlement of the boundary between the Nilgiris and Malabar, which on this side follows the crest of the hills, except at the point referred to, and seems desirable.

3. The Commissioner of the Nilgiris should have submitted a draft notification defining the area to be transferred.

(A true Copy and Extract.)

U. A. Galton
Acting Secretary.

To the Secretary to Government, Revenue Department,
with seven original enclosures and two maps to be returned.
