No. 70. READ THE FOLLOWING PAPER:—

Proceedings of the Board of Revenue, dated 13th April 1880, Miscellaneous No. 3,988.

Read the following letter from R. W. BARLOW, Esq., Commissioner of the Nilgiris, to C. A. GALTON, Esq., Secretary to the Board of Revenue, dated Ootacamund, 2nd April 1880, No. 49.

I HAVE the honor to forward, for the favorable consideration and orders of the Board and Government, the enclosed application from Colonel Thatcher for certain land situated within the municipal limits of Ootacamund, and to request that the portion marked A. R. S. T. C. X. on the enclosed plan may be sold under the waste land rules, reserving the rest marked B. R. S. T. as desired by Major Morant, the late Executive Engineer, as a stone quarry. It will be observed from the enclosed resolution that the municipality has no objection to the sale.

2. I also enclose a report, recommending the sale, received from the Assistant Commissioner, No. 703, of 3rd December last, who has made a careful inspection of the locality; but I should add here that, when the late Dr. Sayers in 1874 made an application for the same land, the municipality then desired that it should be made over to it, but Government in their Order, No. 929 of 24th July 1874, decided that the "land in question should be left as it is for the *present*."

SUBMITTED for the orders of Government.

THE Government decline to allow the land in question to be put up to auction. If fit for planting, the Forest Department should take it in hand and so extend the Elk Hill sholah. If not fit for planting, it should remain open common as at present.
