No. 465.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 8th April 1880.

Read the following letter from J. B. PENNINGTON, Esq., Collector of Tinnevely, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated 16th March 1880, No. 162 :—

With reference to the Board's Proceedings, No. 6, dated 3rd January 1880, I have now the honor to submit a further report from the Deputy Collector repeating his belief in the solvency of the Mannarkōta Estate, and I see no reason to doubt that he is right so far. I enclose a statement showing the result of his proposals worked out in detail, from which it will be seen that the estate might be freed from debt in about six years. Estimates for the repair of irrigation works are also submitted, and there can be little doubt that the ryots would be only too glad to agree to reasonable money rates on the wet land in lieu of the vexatious system of varam.

2. As to the allowances that have been granted to the members of the family, if the matter is properly represented to the Court, they would, no doubt, be reduced to suit the reduced circumstances of the proprietor; and it may be assumed, I think, that the Court would be satisfied with the arrangement now proposed.

3. Whether the reasons urged by the Deputy Collector in paragraph 9 of his former report are sufficient to induce the Government to intervene so as to save the estate from partition is a question into which I am not called upon to enter. If, as the Deputy Collector seems to think, blindness and weakness are inseparable from the Indian aristocracy, it is to be feared that no amount of assistance will ultimately avail to save them from the ruin which is the natural result of such characteristics; and the hopeless attempt we make to save them is perhaps the least satisfactory and profitable part of our work in the country. Of course, when the proprietor is a minor the case is different.

4. With reference to paragraph 2 of G.O., No. 43, dated 10th January 1880, I have to report that the Court has not yet passed any final order on my application.

ENCLOSURE No. 1.—Deputy Collector's report.

ENCLOSURE No. 2.—Statement.

ENCLOSURES Nos. 3 to 6.—Estimates.

SUBMITTED to Government with reference to G.Os., dated 9th and 10th January 1880, Nos. 38 and 43.

2. The Collector considers that the Mannarkōta Estate, if taken under management, can be freed from debt in about six years and submits a statement in support of the opinion. The Board see no advantage in bolstering up a bankrupt estate, and in the present case there are no circumstances entitling the proprietor to special consideration; they would allow the law to take its course.
