GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

17th May 1880, No. 559.

No. 118. READ THE FOLLOWING PAPER :—

Proceedings of the Board of Revenue, dated 29th April 1880, Miscellaneous No. 4,642.

Read the following letter from H. P. GORDON, Esq., Acting Collector of Bellary, to C. A. GALTON, Esq., Secretary to the Board of Revenue, Madras, dated Ramándrug, 24th April 1880, No. 1,418 :—

I HAVE the honor to inform you that arrangements had been made by the Public Works Department in the end of 1879 for putting the Tungabhadra channels in the taluk of Hospet into thorough order, and estimates to the amount of Rs. 10,476 were prepared for that purpose.

2. After the works had commenced the allotments were greatly reduced, and it became impossible to carry out the proposed repairs. A sum of Rs. 5,449-9-2 was expended by the Public Works Department, and bills for a sum of Rs. 802-7-2 for work done (including pay of maistries) have now been submitted to me by Mr. Jack, the Supervisor, who is winding up affairs in this district.

3. I have the honor to request sanction to make the payments in question and an allotment of funds for the purpose.

SUBMITTED to Government with the request that funds may be allotted at an early date.

It seems highly undesirable to postpone repairs put in hand upon estimates prepared by competent Public Works Officers, since there can be no doubt that the repairs are essential to the protection of the revenue as well as to the welfare of the agricultural population. It will be considered, therefore, in the Public Works Department whether the works may not be proceeded with; the further sum of Rs. 4,224* required, if it cannot be met from the fixed allotment above specified, being allotted from the reserve provided in the budget.
