 REVENUE.
 THE BOARD OF REVENUE.
 No. 150-127.
 1880.

I have the honor to acknowledge the receipt of your letter of the 16th April 1880, in relation to the application of Kristnen Govinden, for a pass to enable him to export opium to Travancore by sea, and to inform you that the Board has considered the same, and has decided in favor of the grant of such a pass, subject to the condition that the applicant shall pay the duty on the opium at the rate of Rs. 100 per chest, and that the pass shall be valid for one year only.

No. 1.
 PROCEEDINGS OF THE BOARD OF REVENUE, dated 26th April 1880.
 Read the following letter from C. S. CROFT, Esq., Acting Collector of Sea Customs, Madras, to C. A. GALTON, Esq., Secretary to the Board of Revenue, dated 16th April 1880, No. 727:—

I HAVE the honor to request the Board to issue instructions on the following point:—
 One Kristnen Govinden, opium exporter, has applied to me for passes to enable him to export opium to Travancore by sea, and to inform you that the Board has considered the same, and has decided in favor of the grant of such a pass, subject to the condition that the applicant shall pay the duty on the opium at the rate of Rs. 100 per chest, and that the pass shall be valid for one year only.

2. Under notification of the Government-General of India, dated 7th June 1870, No. 1,133, published at page 806 of the St. George Gazette of the 28th June 1870, the exportation of opium not covered by a special officer has been prohibited. It does not appear that any special officer has been appointed to grant passes for such exportation. I am informed, moreover, that no one has hitherto been permitted to export opium by sea.

3. The Opium Act (I of 1878) and the rules framed under it and submitted to the Government, and in which definite instructions are contained, have not yet been made applicable to this Presidency.

4. Under these circumstances, I request instructions as to whether I am to grant or refuse the application under reference.

SUBMITTED for the orders of Government.

2. The Board see no objection to the grant of a pass for the exportation of opium to Travancore by sea, provided it is proved to the satisfaction of the Collector of Sea Customs that the pass duty of Rs. 100 per chest has been levied on the drug. The Board gather from Section 9 of the Act, which, however, is no longer, in force, that it was the intention that payment of the duty should be made by an officer authorized by the local Government. The rules framed under the Opium Act provide for exportation to Travancore.
