PROCEEDINGS OF THE BOARD OF REVENUE, dated 4th May 1880.

Read the following letter from W. MORGAN, Esq., Acting Government Solicitor, to C. A. GALTON, Esq., Secretary to the Board of Revenue, dated Madras, 22nd April 1880, No. 197 :—

WITH reference to the Proceedings of the Board of Revenue, dated 11th December 1879, No. 3,309, and its enclosure, I have now the honor to forward you herewith four amended forms of indenture under the Waste Land Rules in which I have provided for the reservation of the State rights to minerals, and enabled them to work any mines and carry away the minerals (if any) found therein.

2. I have also inserted a clause (which can be adopted or rejected as Government may think expedient) providing for the compensation to the grantee in respect of any land occupied or damage done to him in the course of such working.

3. I return herewith the copy of Waste Land Rules and the volume containing the Board's Standing Orders, as also the enclosures forwarded with the Board's Proceedings, dated 17th April instant, No. 4,242. The other papers referred to in these Proceedings have not yet reached me.

ENCLOSURES Nos. 1 to 4.—Forms of Indenture.

THE amended forms received will be submitted for the approval of Government.

2. In their Proceedings, dated 11th December 1879, No. 3,309, the Board omitted to draw attention to the fact that the forms of indenture under the rules for the sale of waste lands on the Nílgiris and Shevaroy Hills and in the Wynaad differ to some extent from those applicable to grants elsewhere, the land being sold subject to payment of annual assessment. The Government Solicitor will be requested to revise Forms X, Y, and Z under the Nílgiri Rules, which are the same for the Shevaroys and Wynaad.

3. It is observed that the form of title-deed under Standing Order No. 38, paragraph 16, page 404, of the Appendix to the Board's Standing Orders has not been revised, but only that under paragraph 15.

4. The Government Solicitor is requested to furnish as soon as possible the clause to be inserted in Ryotwari puttas with reference to Board's Proceedings, dated 31st March 1880, Miscellaneous No. 3,511.

5. With reference to the concluding paragraph, the Board observe that the Government were requested to forward the papers asked for direct to the Government Solicitor.
