No. 2,870.

Report of the Board of Directors dated 9th October 1879.

PROCEEDINGS OF THE BOARD OF REVENUE, CALLED 9th OCTOBER 1879.

Read the following paper from J. GROSE, Esq., Collector of Nellore, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated 7th July 1879 :—

dated 17th July 1912. —

Statement showing the Amount of Arrears due to the undermentioned Russumdar in the District of Nenore.

Number of Certificate.	Name of Busermidar.	Amount of Russum per Annum.	Date of Government Authority.	Nature of the Grant.	Period for which Arrears are due.	Total amount of Arrears.	Explanation of the cause of Suspension of Payment.	Remarks of the Board of Revenue.
...	Kanumella Atchayya.	RS. A. P. 26 8 0	Extract Minutes of Consultation, dated 15th Nov. 1890, No. 1,095.	Granted for giving medical aid to the poor people.	From May 1957 to May 1869.	RS. A. P. 585 3 4	During the Mahomedan sway in India, a Salk Russum of Rs. 26-8-0 per annum or Rs. 2-3-4 a month was granted to one Kanumella Kristnam Biblu for giving medical aid to the poor; it was continued to his son Ateham Biblu, and after him to his son Ramasawmy alias Ramiah. In sanctioning the renewal of the Russum in the name of Ramasawmy or Ramiah, the Government remarked that it should be continued subject to report on the death of the present recipient. Ramasawmy died in 1857. Since then it was not renewed but held in abeyance. One Atchayya, the son of the deceased Ramasawmy, now claims the continuance of the Russum in his name. The Tahsildar of the Kandukur Taluk reports* that the services have been duly performed by Atchayya, the petitioner. The Sub-Collector recommends that the	

Passum may be continued in the name of Atchayya and Narasimulu, his paternal uncle's son. Copy of Sub-Collector's letter and translation of the Kaudukur Talsildar's arzi are herewith sent. Under these circumstances, I recommend that the Kussum may be continued in the names of Atchayya and Narasimulu and the arrears paid.

ENCLOSURE No. 1.

From C. L. B. CUMMING, Esq., Acting Sub-Collector, to J. GROSE, Esq., Collector of Nellore, dated Ongole, 10th June 1879, No. 251.

I HAVE the honor to state that one Kannamalla Atchayya of Kandukur presented a petition to me complaining that his father has been in receipt of Salt Russum of Rs. 2-3-4 per month during his life-time, and that the payment thereof has been stopped from the year 1857 when his father died, and requesting that it may be continued to him and to his cousin (paternal uncle's grandson).

2. The petition was referred to the Tahsildar of Kandukur for report who submitted Arzi, No. 1,148, dated 30th April 1879, stating that the matter was inquired into by his predecessor Kisam Row, and that a full report was made to Treasury Deputy Collector on his request.

Arzi No. 3,929, dated 6th November 1878.

3. He farther submitted copy of the above report with copies of the whole record.

4. I learn from these records that a Salt Russum of Rs. 2-3-4 per mensem was originally granted to one Kannamalla Krishnam Bhothu (petitioner's great-grandfather) for doing hakim's duties, i.e., for giving medicine to poor people and Government servants, &c., was continued down to petitioner's father who died in the year 1857 when it was stopped. It appears that the petitioner has been petitioning ever since but no orders have yet been passed. From the genealogical table placed on the record, it appears that there are only two male members in the family Russum. It is reported that the petitioner and his paternal uncle's son, who are entitled to the other claimant is under minority.

5. Under these circumstances, I find no objection to recommend that the Russum may be continued to both the claimants above named.

6. Petitioner's arzi, No. 348, presented to me and Kandukur Tahsildar's arzi, No. 1,148, dated 30th April 1879, together with its enclosures, are herewith forwarded for perusal.

(True Copy.)

(Signed) J. GROSE,
Collector.

ENCLOSURE No. 2.—Tahsildar's Arzi.

SUBMITTED for the favorable consideration of Government.

2. A Russum of Rs. 26-8-0 a year held by one Ramasawmy for giving medical aid to the poor lapsed in 1857. One Atchayya, the son of Ramasawmy, now claims it, with the arrears that have accrued since the latter's demise. He is reported to be duly performing the service. He applied for the Russum immediately after his father's decease and has made frequent applications since, but by some local neglect no final orders have been passed.

3. The original grant was made in 1765, and the allowance was drawn uninterruptedly by the original grantee, his son, and grandson till 1857. Petitioner appears to be the only surviving son of the last grantee. He has a nephew who is a minor, but the Board consider that the nephew has no claim that need be considered until after the death of the petitioner.

as to when and under what circum-
stances the request was granted, they
state as follows.

Question. It is known that
1. When and for what purpose the request was
applied for was granted. { the request was
granted by Sdho
Nethaya in the year
1775 corresponding
to the English year
1755 to one Rammalla Nethaya

treatment to Government servants

service was to afford medical treatment
frank, to monument demands and the
local poss.

3. Whether the
petitioner is
performing the
service according
to the terms of the
frank — } The petitioner is
giving medical
treatment franks to
the monument demands
and to the poor at large.

4. Since how long
is the payment
of the franks stopped } It is in abeyance from
the year 1857 when the
petitioner's father
Ramasawmy alias
Ramasah was dead.

5. When did the original
frank die and why } It appears that
was the ransom not
claimed from that
time up to date. } after the death of
the original grantee
Ramasawmy alias
Ramasah, the ransom

was issued in the name of his son
Alehanthotie and after him to
Ramasawmy, his son and that the
latter died in 1857. This Ramasawmy
while alive, presented a petition to
the Sub Collector in 1857, informing
that owing to his old age he was
unable to move about and requesting
therefore

that the ransom might be issued
in the name of his son Alehanthotie.
(the petitioner) aged 32 years and
of his younger brother's son, Peridum
aged 22 years, who will be prepared
to perform the prescribed service.
Thereupon the Sub Collector Mr
Hinchin issued an endorsement on the
petition itself, No 2844 of 12th Dec 1855
informing the petitioner that the
ransom could not be continued to the
sons as requested by him; that after
the death of the present enjoyers, the
matter should be reported to the authority.
This and that the petitioner was
at liberty to enjoy the same all
along his life and could draw his
ransom from the Division (Juchers)
through any of his relatives by fur-
nishing a regular receipt. This
petition together with the endorse-
ment thereon was produced by
the Petitioner. After the death
of the said Ramasawmy on 24 May
1857, the petitioner claimed the ransom
and

and the said Superintendent
Pahar enquired into the matter
and wrote in reply to the Collector
dated 26 August 1857, but no final
order having been passed as yet,
although the petitioner ever now
and then presents a requisition to that
effect.

Who was the original grantee
& what evidence is the petitioner
& whether evidence is forthcoming
the Collector on the subject?

The original grantee was Ramuwalla
Krishnaiahkhilla.
It was continued to his son Akhachholla
and after him to his son Ramasamudra
alias Ramiah and Subhaya.

The petitioner, Akhaya is the
son of Ramiah who was dead. In
the Subhaya's descent, there is one
Parasichham, aged 11 years, who is the
grandson of Subhaya and the son
of Krishnaiah, who are dead. The
existing heirs are therefore Akhaya,
the petitioner, and Parasichham
the grandson of Subhaya. Some corres-
pondence appears to have taken place on

on the subject in the Salug
Cutchery. Copies of the said corres-
pondence and copies of the petitions
presented by the petitioner from
time to time and the orders passed
on such petitions together with
the copies of documents in possession
of the petitioner are herewith sub-
mitted as per list annexed.

I think that the petitioner and
his partner Paravichham are
entitled to the pashana at Rs 2.3.4
a month from the month of May
1857 up to date. The former is
performing the medical service
and the latter is a minor. I therefore
request that after the payment of the
enclosed correspondence orders
may be given for the continuance
of the pashana to the present income
has been stated above.
