GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

31st May 1880, No. 594.

No. 300. READ THE FOLLOWING PAPER :—

Proceedings of the Board of Revenue, dated 20th March 1880, Miscellaneous No. 3,220.

Read the following letter from W. S. FOSTER, Esq., Collector of Godávari, to C. A. GALTON, Esq., Secretary to the Board of Revenue, dated Cocanada, 8th March 1880, No. 72 :—

I HAVE the honor to acknowledge the Board's Proceedings, Miscellaneous No. 1,929, dated 19th instant.

2. Government Order, dated 7th January 1880, No. 29, granted a general sanction for double batta for all the officers, without reference to Collector's establishment, temporarily employed in the hilly tracts of this district in connection with the suppression of Rumpa disturbances. The statement in the Special Assistant's letter No. 12, referred to in the Board's Proceedings under acknowledgment, refers to the grant of double batta to other establishments under the Government order in question.

THE Collector is mistaken in supposing that G.O., dated 7th January 1880, 29, is sufficient for the [illegible] employed in the hilly tracts in connection with the Rumpa disturbances; that order merely sanctioned a general relaxation of the rule in regard to the ten days' limit in respect of halts. Double batta appears to have been sanctioned only for the Collector's establishment and for all peons. The present application is for the grant of double batta to the Tahsildar of Bhadráchalam and his establishment irrespective of the length of the halts. The case is exceptional, and the Board think that double batta without restriction as to the duration of halts should be granted to all the taluk officials employed in the hilly tracts in connection with the recent disturbances, as in the case of the Collector's establishment.

No. 301. ORDER THEREON, 31st May 1880, No. 594.

Miscellaneous.

THE Government observe that the Special Assistant Agent's recommendation related to the grant of double batta to the Tahsildar of Bhadráchalam and his establishment while on duty in Rékapalle, which is within his division.

2. Under these circumstances double batta cannot be admitted, but the Government resolve to recommend to the Government of India that the Tahsildar of Bhadráchalam be allowed batta at the rate of three-tenths of salary when absent from

head-quarters as granted to the Tahsildar of Soroncha in the Central Provinces, and that the same rate of batta be allowed to all officials of the taluk who do not now draw any batta or would be benefited by it.

double batta for the period during

with your approval, application may be made to Government as in special case, if necessary, for the grant of the privilege of double batta irrespective of being more than 10 days halted in one place being made, to the Jamadar and his establishment for the period during which they were absent from their Head Quarters, for this work Line was exceptionally heavy and their expenses were increased by being away from their own homes.

It does not appear that double batta has been sanctioned

travelling on Rumpa and in the Bhadrachallam & Rajapalli talays except as regards the Meetas establishment (G.O. 29 October 1898 no. 1743) and Govt. G.O. dated 12th December 1899 no. 2273. Mr. G.O. dated 7th January 1886 no 29 the restriction as to halts was removed in favor of establishments temporarily employed in the hilly tracts in connection with the disturbances but no general sanction for double batta appears to have been given. The Collector should explain the Statement in the Special Assistants letter that double batta has been granted to the establishment. The Jamadar is not entitled to batta whilst travelling in his division, it was sanctioned in the case of the acting Jamadar of Rayalseemdy by G.O. 934 of 4 Sept. 1879 no. 3350 as a special case.
