PROCEEDINGS OF THE BOARD OF REVENUE, dated 21st November 1879.

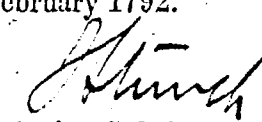

Read the following Proceedings of the Madras Government, dated 12th June 1879,  
No. 1,264, Revenue Department: —

ABSTRACT.—*Jaghire Pension of Melpadi in North Arcot District.*—Before disposing of the recommendation of the Board of Revenue for its continuance in the name of Gholam Murtuza, requesting further information respecting the origin of the grant.

THE Board observe that the pension in question is not one of those in lieu of Jaghires resumed, as granted by the Nawab without due authority.

2. It appears from the records of the Board of Assumed Revenue that in 1792 Gholam Hussain Ali Khan, to whom the pension was originally granted, petitioned the Board requesting the restoration of the Melpadi Jaghire which had been resumed many years previously by the Nawab Wallajah, or that in case this request could not be complied with an annual allowance might be granted for his maintenance. On this petition the Collector reported that petitioner was, as he asserted, the nearest descendant of the well known Moortiz Ali Khan, former possessor of the Fort and District of Vellore. As such, and as being really without subsistence, the Collector recommended that a pension of Rs. 100 a month should be allowed to him during pleasure. This recommendation was supported by the Board of Assumed Revenue and was sanctioned by Government—*Vide* letter from Government, dated 11th February 1792.

For this act of charity myself and my large family shall do in duty bound ever pray.
