GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

7th June 1880, No. 632.

No. 95. READ THE FOLLOWING PAPER :—

Despatch from the Right Honorable the Secretary of State for India.

Revenue (Miscellaneous),
No. 21.

INDIA OFFICE, LONDON,
29th April 1880.

MY LORD DUKE,—I have received your Grace's letter, No. 2, of the 19th February last, advising the despatch of 728 bales of Chinchona bark, from the Government plantations on the Nilgiris, per P. and O. Steam-ship *Hydaspes*.

2. Of this consignment 102 bales were made over to Mr. Whiffen, Quinine Manufacturer, with a view to the extraction, on Government account, of quinine and other alkaloids. The results of this experiment, which has been undertaken for the purpose of ascertaining the relative advantages of manufacturing quinine alkaloids in this country, and of selling the bark on account of Government, will be communicated to you in due course.

3. The remaining 622 bales were sold in the usual manner, and realised a net sum of £14,205-14-2. Copies of the report and account sale are transmitted herewith, together with a statement giving a comparison of the prices obtained with those realised at a former sale.

I have, &c.,

(Signed) HARTINGTON.

His Excellency the Most Noble
The Governor in Council, Fort St. George.
