(Signed) JENKIN & PHILLIPS.

No. 139. ORDER THEREON, 11th August 1880, No. 956.

Miscellaneous.

COMMUNICATED to the Commissioner of Nilgiris.

2. The bark, which realised the highest price (10*s.* 2*d.* per lb.), is that returned as "renewed crown planting, 1869," (sub-division) No. 15; but there appears to be some mistake in regard

to the age of the trees or the sub-division, as that numbered XV in Appendix A to Major Walker's report contains trees planted in 1866. The Commissioner will report where the error lies, and arrange for Major Walker's numbering being maintained.

3. Root red bark does not appear to be much valued.

2. The bark which realized the highest price is that returned as "Renewed crown planting 1869 (Sub-division) No 15" but there appears to be some mistake about in regard to the age of the trees of the subdivision as that numbered XV in Appendix A to Major Walker's report contains trees planted in 1866. The Conservator in his report where the errors lies & arranges for Major Walker's numbering being maintained.
