GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

4th August 1881, No. 1,128.

No. 19. From Major R. S. JAGO, Deputy Conservator of Forests, in charge Chinchona Department, Nilgiris, to Colonel R. H. BEDDOME, Conservator of Forests, Ootacamund, dated Ootacamund, 27th July 1881, No. 155.

HAVING now been in charge of Government Chinchona Plantations for six months, I beg respectfully to bring to your notice, for the consideration of Government, the following circumstances regarding my position in the Chinchona Department.

2. Government Order, No. 1,670, dated 8th December 1880, Revenue Department, sanctions pay of Rs. 150 per mensem and travelling allowance Rs. 50 for this charge. In consideration of the increased work, which I find is not mere supervision but a continuous watching of all the operations in the department, and extreme responsibility coupled with great addition to expense by my constantly having to be at Naduvatam and keeping up a small establishment of servants for that purpose, I request that you will be good enough to urge the Government to sanction the full travelling allowance of Rs. 90 drawn by the late Mr. McIvor and a moiety of his pay—the latter would not benefit me pecuniarily but simply reduce the difference between my civil and military salaries now paid by the latter department.

3. Requesting that you will kindly submit this as soon as possible for the kind consideration of Government, I have, &c.

No. 420.

FORWARDED to the Secretary to Government, Revenue Department, for favorable consideration.

OOTACAMUND,
28th July 1881.

(Signed) R. H. BEDDOME, Colonel,
Conservator of Forests.

No. 20. ORDER THEREON, 4th August 1881, No. 1,128.

Miscellaneous.

THE Honorable the Governor in Council considers that the travelling allowance to be drawn by the Forest

Officer in charge of the Chinchona Plantations may properly be fixed at Rs. 75 per mensem instead of Rs. 50, and directs that the increased allowance be granted with effect from 1st August 1881.

2. The proposed increase of charge against Chinchona, as regards the pay arrangement, would not be excessive; but there seems no need at present to make any change. An alteration would not benefit Major Jago, and the result of further experience may be awaited before settling the pay of his successor.
