READ THE FOLLOWING PAPER :—

No. 272. Despatch from the Most Honorable the Secretary of State for India, to His Excellency the Honorable the Governor in Council, Fort St. George, dated India Office, London, 21st July 1881, (Revenue), No. 22.

I HAVE considered in Council your letter, No. 3, of the 28th May last, forwarding copies of the proceedings of your Government respecting the settlement of the Kollegál taluk in the Coimbatore district.

2. Owing to the peculiar circumstances of this taluk, it has not been considered necessary to insist upon a preliminary scheme, and the grouping already sanctioned for the Coimbatore district, with the addition of a third group for outlying dry villages in which population is scanty and cultivation patchy, has been adopted.

3. The result of the proposed settlement will be an increase in area of 1,206 acres or nearly 2 per cent., and a decrease in assessment of Rs. 3,443 or $4\frac{1}{4}$ per cent. on a revenue of Rs. 78,808.

4. An opinion is expressed by your Government that the taluk requires liberal treatment for its agricultural development. The rates now sanctioned seem moderate, and they average both for wet and dry cultivation less than those previously existing. I trust that the relief which will be thus afforded to agriculture may be attended with satisfactory results and lead to an extension of cultivation.
