GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

24th September 1881, No. 1,414.

READ THE FOLLOWING PAPER:—

No. 315. Despatch from the Most Honorable the Secretary of State for India, to His Excellency the Honorable the Governor in Council, Fort St. George, dated India Office, London, 11th August 1881, No. 23 (Revenue).

I TRANSMIT herewith, for your Excellency's information, the account sale and particulars of the sale of 488 bales of chinchona bark from the Nílgiri Government Plantations received per Steam Ship *Ancona*.

2. The net amount realised by this consignment was £6,220-11-0. A larger sum would, however, have been obtained but for the delay in sending home the usual particulars. The bark itself arrived on the 17th May, but the bill of lading only reached this office on the 8th June and the particulars on the 15th June. In consequence of this delay in furnishing the necessary information, the bark in question could not be brought forward for sale until the 5th July, and in the meanwhile there was a fall in the quotations for quinine and consequently in the value of chinchona bark.

3. I request that for the future the bill of lading and particulars of consignments may be sent home if possible so as to reach this office before the arrival of the bark.

I have, &c.,
(Signed) HARTINGTON.

No. 23.

Sir,

1. I transmit herewith for your Excellency's information, the Account Sale and Particulars of the sale of 488 bales of Cinchona Bark from the Nilgiri Government Plantations, received per S.S. "Ancona"..

2. The net amount realized by this consignment was £6220--11-. A larger sum would, however, have been obtained, but for the delay in sending home the usual particulars.- The Bark itself arrived on the 17th May, but the Bill of Lading only reached this Office.

His Excellency
The Honorable
The Governor in Council,
Fort Saint George..

Office on the 8th June, and the particulars on the 15th June. In consequence of this delay in furnishing the necessary information, the Bark in question could not be brought forward for sale until the 5th July, and in the meanwhile there was a fall in the quotations for quinine, and consequently, in the value of Cinchona Bark..

3. I request that for the future the Bill of Lading and Particulars of Consignments may be sent home, if possible, so as to reach this Office before the arrival of the Bark..

I have the honor to be,
Sir,
Your most obedient
humble Servant
