READ THE FOLLOWING PAPER:—

No. 27. Proceedings of the Board of Revenue, dated 18th November 1880, Miscellaneous No. 12,706.

Read the following letter from W. S. WHITESIDE, Esq., Collector of North Arcot, to C. A. GALTON, Esq., Secretary to the Board of Revenue, dated Chittoor, 8th November 1880, No. 418.

THE Deputy Conservator of Forests of this district has applied for permission to employ a Surveyor to survey the reserves in the local jungles as he selects them. He says that he has a man who can survey and draw plans, who will hereafter be employed in surveying the Imperial reserves, but that at present he is employed in his Office as Acting Gumastah, and is available for local works. Mr. Sheffield is anxious to commence the work at once, as there are many small reserves in Wandiwash and Wálajáh Taluks that he wishes to see done before the end of the present official year, so that he may commence the large reserves in Chittoor, Chandragiri, Palmanér, and Gudiyátam Taluks at the beginning of the next official year.

2. It is proposed to pay the Surveyor Rs. 20 per month and As. 8 per diem while actually in the field, and to allow him three Lascars, at Rs. 5 each per month, for carrying the survey instruments, measuring chain, flags, &c.

3. Mr. Sheffield has surveying instruments available for use, and, if the employment of the Surveyor and Lascars is sanctioned, he proposes to have work commenced at once in the Wálajáh Taluk.

4. There is up to date a saving of Rs. 359 in the sanctioned pay of the Jungle Conservancy Establishment, and for the future months of the official year there will be a saving of about Rs. 30 per month on the sanctioned Budget Estimate from the non-entertainment of the full sanctioned establishment and from reduction in the pay and batta of the Gudiyátam Forester.

5. I have the honor to request that the Board will be pleased to sanction the entertainment of the Surveyor and Lascars and the payment of their salaries from savings in the Jungle Conservancy Fund as shown above.
