2. The consignment has been insured for £ 30,000 sterling, a higher rate than heretofore. It was hitherto the practice to insure at the rate of 1 rupee per pound, but I think this system unsafe and have accordingly effected insurance at 2 rupees (4 shillings) per pound.

3. The detailed and abstract invoices and bills of lading will be forwarded to you direct by the Madras Master Attendant.

No. 491. From T. E. MARSHALL, Esq., Deputy Master Attendant in charge, Administrative Department, Madras, to the Secretary to Government, Revenue Department, Madras, dated 21st January 1881, No. 494.

I HAVE the honor to report the shipment of 1,465 bales of Chinchona Bark per S.S. *ElDorado*, consigned to the Right Honorable the Secretary of State for India, and to forward the accompanying invoices relating to the consignment received from the Commissioner of the Nilgiris. The freight is payable in London at £ (3) three per ton, and the bill (two copies) of lading is herewith enclosed. The *ElDorado* sailed on the 19th instant.

2. At the request of the Commissioner of Nilgiris, the consignment has been insured through Messrs. Arbuthnot and Co. for £ (30,000) thirty thousand, at one rupee per cent. less (15) fifteen per cent. discount payable here, and the policies are herewith forwarded. This Department was unable to effect an insurance to cover all risks, and therefore the policies are free of particular average.
