READ THE FOLLOWING PAPER:—

No. 150. From the Conservator of Forests, to the Secretary to Government, Revenue Department, dated Kodoor, 6th December 1881, No. 856.

COLONEL JAGO has sent me copy of his letter sent to you direct, dated 30th November, regarding Mr. Cross.

2. I presume that Government will not now retain his services, and have the honor to request that early instructions may be issued as to his passage and pay up to date of embarkation.

3. I would also solicit attention to paragraph 2 of my letter No. 782, dated 23rd ultimo, in which I recommend that a qualified gardener and propagator may be entertained for the Chinchona plantations, in whose selection Mr. Cross and probably Colonel Beddome might greatly assist. I think this is of much greater importance at present than the appointment of a chemical analyzer.
