 Proceedings of the Board of Revenue
 Dated 20 January 1881.

Read Endorsement of Government 8/17 Jan 1881 referring to the Board for very early remarks - letter from the Government of India 8/6 July/80 No 281.

- The Collectors of Tanjore, South Canara & Malabar will be requested to report with the least possible delay on the question dealt with in the foregoing paper drawing attention to passages in the old correspondence connected with their districts respectively bearing on the subject. They will observe that there is no intention of raising any question of immediate enhancement of the assessment.
2. The Board submit that they cannot offer a matured opinion on the question until the views of the Collectors concerned are before them & that as the subject is one of considerable importance & intricate involving a study of the records of previous settlements extending back to the commencement of the century some time must necessarily elapse before they will be in a position to lay their views before Government. They beg to assure Government that the matter will have their close attention & that it will be disposed of as early as its importance will admit of.
3. The Board request that they may be furnished with a copy of the letter and minute alluded to in para 1 of the communication from the Government of India.
