2 The net receipts for this consignment amounted to £ 8091-19-3, you will observe that, the charge for freight was £ 182-11-3, instead of £ 41-19-5 only, as stated in the letter of advice. I desire that I may be furnished with some explanation regarding this discrepancy.

Strict instructions should, therefore, be given, to avoid delay in the transmission of the necessary documents relating to future consignments, which should be despatched so as to admit of the necessary orders being issued here in anticipation of the arrival of the Bark to which they refer.

I have the honour to be,

Sir,

Yours most obedient

Humble servant.
