READ THE FOLLOWING PAPER:—

No. 198. From R. B. ELWIN, Esq., to the Secretary to Government, Revenue Department, Madras, dated London, 6th August 1880.

I HAVE the honor to inform you that Mr. Beresford Anderson and I are the joint proprietors of the "Cheppah Thodah" Coffee Estate, situated in the Cherambádi District of the Wynaad, and as we contemplate parting with our property, and as the question of mining rights has been mentioned, we are anxious to know how these are to be obtained.

2. The land, about 500 acres, representing the "Cheppah Thodah" Estate was purchased by Mr. Anderson and myself from Mr. W. Maylor in October 1863, since which date the property has been in our possession and worked as a Coffee and Chinchona Estate. Mr. Maylor purchased the land from Mr. Alfred Wright, who acquired it from a native named "Cheerambady Chatoo Kadow."

3. This is all the information I have it in my power to communicate, and I shall he much obliged by your informing me what course I am to adopt to possess the mining rights which are necessary for working the minerals or metals on our property.

No. 199. ORDER THEREON, 15th March 1881, No. 450.

THE property referred to seems to have been acquired much in the same way as was the Provident Estate and to be similarly an escheat. If so, G.O., 15th October 1880, No. 1,341, would apply.
