Acting Secretary to Government
&c. &c. &c.

Sir,

I have the honor to state, for the information of His Grace the Governor in Council that my report on the Gold Fields of South-east Wynnad is now ready for the printers.

The records of the yields of gold

appendices have yet to be added. These however will be ready shortly and can be inserted when the proof-sheets are sent to me for revision.

The maps are finished; and a list of the maps, as well as a table showing the contents of the Report, is forwarded herewith.

The whole will be placed in your hands before the end of this month.

I have the honor to be
Sir
Your Most obedient Servant
