GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

16th May 1881, No. 771.

READ THE FOLLOWING PAPERS:—

No. 235. From Colonel R. H. BEDDOME, Conservator of Forests, to the Secretary to Government, Revenue Department, Madras, dated Ootacamund, 28th April 1881, No. 74.

I HAVE the honor to forward, herewith, a letter, No. 25 of the 21st instant, from Major Jago, officer in charge of the Chinchona Plantations, reporting the shipment of 488 bales containing 51,355 lb. of Chinchona bark to England.

ENCLOSURE No. 1.

From Major R. S. JAGO, Deputy Conservator of Forests, in charge Chinchona Department, to Colonel R. H. BEDDOME, Conservator of Forests, dated Ootacamund, 21st April 1881, No. 25.

I HAVE the honor to inform you that 488 bales, containing 51,355 lb. of Chinchona bark as per margin, and insured for £ 10,000 sterling, were shipped on the 14th instant per

S. S. *Ancona* to the Secretary of State for India. The Master Attendant has been requested to forward the detailed and abstract invoices together with the bills of lading to the Secretary to Government, Revenue Department.

No. 236. From J. H. TAYLOR, Esq., Lieut., R.N.R., Master Attendant, Administrative Department, Madras, to the Secretary to Government, Revenue Department, Madras, dated 3rd May 1881, No. 3,824.

I HAVE the honor to enclose bills of lading and invoices for 488 bales of Chinchona shipped per P. and O. Steamer *Ancona*.

2. Some delay has occurred in obtaining these bills of lading, as, when furnished, it was found that a heavy stamp had been affixed, and a reference was accordingly made to the Government Solicitor, as to whether stamps were required for such documents when executed on behalf of Government, and that officer intimated in the negative. The documents were accordingly returned to the Agent of the P. and O. Company to be exchanged for others unstamped. This gentleman, however, remained under the impression that the Government Solicitor's reading of the law was incorrect, and he required a guarantee that no prosecution should follow his execution of the document without stamp. I have accordingly written a letter to that effect based on the Government Solicitor's opinion; and this, I trust, will meet with the approval of Government.

ENCLOSURE.

DETAILED Invoice of 488 Bales of Bark forwarded from the Government Chinchona Plantations, Nilgiris, during the Official Year 1880-81.

Sir,

1. I have the honor to enclose Bills of Lading and Invoices for 488 Bales of Cinchona shipped per P. and O. Steamer "Arizona"

2. Some delay has occurred in obtaining these Bills of Lading, as, when furnished, it was found that a heavy stamp had been affixed, and a reference was accordingly made to the Government's Solicitor, as to whether stamps were required for such documents, when executed on behalf of Government, and that officer intimated in the negative. The documents were accordingly returned to the agent of the P. and O. Company to be exchanged for others unstamped. This gentleman, however, remained under the impression that the Government's Solicitor's reading of the Law was incorrect, and he required a guarantee that no prosecution should follow his execution of the documents without stamps. I have accordingly written a letter to that effect, based on the Government's Solicitor's opinion, and this I trust will meet with the approval of Government.
