20TH NOVEMBER 1882, No. 1286, REVENUE.

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue, dated 24th October 1882, No. 2571 :—

Read—the following letter from R. W. BARLOW, Esq., Collector of Nilgiris, to the Secretary to the Board of Revenue, dated Ootacamund, 14th October 1882, No. 317 :—

In forwarding, herewith, copy of letter, No. 249, dated 21st July 1882, from the Deputy Conservator of Forests, with its enclosures, I have the honor to request that the sanction of Government may be obtained, for the appropriation of about three acres of Government land in Naduvatom by the Chinchona Department.

2. In February last, I gave permission to the Deputy Conservator to build a chattram, the proposed site of which is shown in the accompanying plan, which was stated to be necessary for securing a supply of cattle manure for the plantation.

3. The Deputy Conservator now applies for this piece which lies between the estate and the Naduvatom cart-road, and which includes the proposed site of the chattram and of a cart-stand (also marked in the plan). I see no objection to the grant. It is obviously desirable to secure the land between the estate and the proposed chattram.

4. There are small patches of sholas on the land which there is no harm in making over to the Chinchona Department.

ENCLOSURES.

From H. A. GASS, Esq., Deputy Conservator of Forests, Nilgiri Division, to the Collector of Nilgiris, dated Ootacamund, 21st July 1882, No. 249.

When at Naduvatom last month with Major Walker and Dr. Brandis, I inspected the site on which this Department is now constructing a chattram in order to secure a supply of cattle-manure for the plantation, and my attention was directed to a piece of land (about three acres), intervening between the boundary of the Government Estate and the chattram, which might be taken up with advantage by this Department for grazing purposes, &c. I, therefore, directed the Acting Assistant Superintendent to submit a sketch of the land in question,*

* To be returned. which, together with his letter fully explaining the object of this Department requiring this piece of land, is forwarded herewith, and I have the honor to request sanction to take it up in addition to that already granted (*vide* your letter, No. 8, dated 27th February last).

From the Acting Assistant Superintendent, Government Chinchona Plantation, Naduvatom, to the Deputy Conservator of Forests, Ootacamund, dated Naduvatom, 16th July 1882, No. 60.

As directed, I beg to enclose a rough sketch of the chattram site and a piece of land, adjoining which, it would be advisable to join on to the Government Chinchona Plantation. The block required is marked thus —. —. —. —. —. —. —. —. —. —.

2. Now that we have gone to the expense of cutting a new road, cart-stand and platform for chattram, and are about to expend Rs. 2,000 in erecting a cattle-shed, I think that the land between the boundary of the estate and the chattram should be reserved,

3. It is quite possible that a stranger may step into this land, who could give us a great deal of annoyance if so inclined. I, therefore, beg that you will be pleased to address Government to formally grant and annex to the Chinchona Plantation the small piece of ground shown in the sketch, consisting of about three acres. The little strip of shola to the east of chattram will not be unnecessarily interfered with. The object of including it in the block applied for is to have space all round the chattram for future extensions, &c., if necessary.
