OFFICE OF SURGEON-GENERAL
WITH THE GOVERNMENT OF MADRAS,
Palacamanu
Fort St. George 1st May 1882.

No. *C/5.2*

From

THE SURGEON-GENERAL WITH THE
GOVERNMENT OF MADRAS,

Fort St. George,

To

Palacamanu

THE ~~CHIEF~~ SECRETARY TO GOVERNMENT,
Revenue DEPARTMENT.

SIR,

*With reference to you, Memo
No. 195 of the 29th ultimo. I have
the honor to report for the information
of the Right Honorable the Governor
in Council that on perusing the
Statistics of Cases of fever treated
with Quichina Alcoholids and
quininum tartrate, at the end of
1881, I found the cases comparatively
few in number and indecisive as
regards results, and instead of
submitting a report to Government
in January 1882, I determined
to accumulate more cases, and
accordingly the results of experiments
in the first six months of 1882 will
be incorporated with the experience
gained in 1881.*

*2. I propose to submit to
Government a report containing
the results of the use of these new-*

Preparations early in July 1882.

I have the honor to
acknowledge,

Your most kind letter

of the 10th inst.

and in reply to inform
you that the same has been
forwarded to the proper
authorities.
