G. O. No. 565 dated 14th March

1882 calls for report with regard to the
submission of accounts of the Chinchi-
na Plantations and monthly state-
ments shewing progress made in
cultivation, out-turn of bark &c.

I have considered the matter in
communication with the Deputy Con-
servator in charge of the Nilgiri Division
and have the honor to report that with
regard to drawing of funds for expen-
diture and adjusting and checking

the same, it would be preferable to
introduce.

introduce the system of accounts and the forms in general use throughout the Forest Department. These provide all that is necessary and will enable me to thoroughly check and control the expenditure.

2. The specimen forms forwarded with L. C. quoted above and referred to in its 2^d para do not exactly meet the requirements of the case. I herewith submit specimen forms marked A, B, C, D which command themselves for adoption containing all the necessary information. They are modifications of those sent with the monthly Progress Report by Forest officers throughout the Presidency and with the special monthly Report for the Chinchona Plantations as now submitted will keep me -
