51 Lime Street, E.C.

London 9th Dec. 1881

The Under Secretary of State for India.

Sir,

In answer to your letter of the 25th Nov.
1881 relative to the charges made on account of
Freight per St. Eldorado, and per St. Manora
for 1465, and 305 Bales Chinchona Bark;

We beg to inform you, that in conformity with
your Bills of Lading, freight for the Bark
was calculated at the rate of 60/- per ton of
50 cubic feet delivered, and not 60/- per ton
of 50 cubic feet put on board at Madras, which
means, the freight was to be calculated at
measurements, taken at landing by the
Wharf or Docks, acting for the shippers and,
carriers.

We enclose the London measurements
for your perusal.

Hoping this explanation will be satisfactory,
and returning you your communication,
from Revenue Department Government of
Madras.

Madras, and Policy of Insurance effected for
bark sent per El Dorado for the use of which
we thank you.
