No. 3123

From Board of Revenue

Dated 5th May

1882. no. 1238

FOR ORDERS.

With reference to G.O.

4th March 1882 no. 261.

G.O. 2nd Feb 1865 no. 181
authorizes a magistrate to offer
a reward not exceeding
Rs 100 "as they may deem
sufficient" for a tiger that
has destroyed a human being.
There is an element of uncertainty
about it. not her letter to
Revenue, with reference to the
principle laid down in para 3
of G.O. 4th March 1882 no. 261
viz - "the reward should be
the fixed sum prescribed
in the particular case" - There
seems to be no question

near as why Murud C
should be treated differently
from other districts - viz
So 10th October 1867 No. 878.

The rates in South Canara
may perhaps be assimilated
with those sanctioned for the
rest of the Presidency.

The Board's reference
to G.O. seems hardly
necessary - The whole
subject was thrust out
in their proceedings in
G.O. 4 March/87 No 261
The Govt. there observed (para 2)
(agreeing with the Board)
that the most effective
way of inducing local
Khakaris to devote
themselves specially to
the work of destroying wild
animals is by prompt
and certain payments
- Again in para 3 the
Govt. intimated "in future
the reward should be

the fixed sum prescribed
in the particular case
It does not appear
necessary however to
increase the amount of
reward generally as
proposed: Exceptional
cases can always be
brought forward when
an additional amount
may be deemed necessary
But for the ordinary run
the present rewards, are,
in the opinion of Govt.
sufficient." see also
para 5 of the 13th proceeding
in this G.O. which is
to the same effect as
regards the desirability
of having a fixed reward
payable in all cases
whether the tiger be
small or large, male
or female, half grown,
or a mere cub, &c &c

It has already been
decided that the existing
scale of rewards is sufficient
and it seems only necessary
to let the Board know
the principles laid down
in the G.O. are applicable
even where: A tiger has

to the Board to bring
forward exceptional
cases where an
additional reward
may be deemed
necessary 27th

Rewards for killing wild-
beasts

16/7/82 Mr. Council
The Inspector notes that to be aware
in circumstances of extraordinary special
service of the reward in the case of
deaths of deer &c. - this could hardly
be the intention of the Board
