GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

19th January 1882, No. 71.

READ THE FOLLOWING PAPER:—

No. 226. Despatch from the Most Honorable the Secretary of State for India, to His Excellency the Right Honorable the Governor in Council, Fort St. George, dated India Office, London, 15th December 1881 (Revenue, No. 30).

SIR,—I have read with interest the report by Colonel Beddome on his recent visit to the Chinchona Plantations in Ceylon, which accompanied your Excellency's letter No. 14 of the 12th October last.

2. The question of the appointment of a Chemical Analyser for the Nilgiri Plantations was referred to in the letter from your Government No. 10, of the 29th August, in reply to which, I explained in my despatch No. 28, of the 10th November last, the reasons why it did not seem necessary at present to make such an appointment. Colonel Beddome, in the 18th paragraph of his report, explains more fully the reasons why he desires the services of an analyst, but I do not propose to take any steps for complying with this request until I receive the further views of your Government on the question.

3. I observe that Colonel Beddome recommends also the appointment of a thoroughly practical gardener for the Plantations, but no request is contained in your letter for such an appointment. I shall, however, be prepared to seek for a properly qualified person, should your Government think it necessary.

I have, &c.,
