To, C. G. Master Esquire,
Secretary to Government,
Revenue Department,
Ootacamund.

Sir, In reply to your Official
Memo No. 292 of the 10th instant
I have the honor to inform you,
that out of Major Jago's pay
(viz Rs. 640. 14. 6), a sum of Ru-
pees 490. 14. 6 is charged to the
Forest Department, whilst the dif-
ference Rs. 150, as well as the
additional travelling allowance
Rs. 50, have been debited to the
Cinchona Department from 1st of
February last, as per G.O. No. 1670,
Dated 8th December '80.

Informing that out of
Major Jago's pay (By
R. 640-14-6) a sum of
R. 490-14-6 is charged
to the Forest Dept. whilst the
difference R. 150 as well as
the additional travelling
allowance have been debited
to the Cinchona Dept.

Please see your slip 12-10-81.

The Offr to Conservator of
Forests asking for explanation
as to the small receipts in South
Canara is stitched with
G. O. 19th Augt 1881 No 1221.
The reply to it (C No 3887)
is in the packet and
received from Madras.

There has been some
confusion between the two
subjects, viz Forest Enquiry
in South Canara and
Cinchona accounts. The
papers connected with the
latter were sent to the
Registrar (vide Secretary's
slip on C No 4886) who
asked for lots of papers
connected with the former.
Those papers, however,
were with the Secretary
in connection with the
question of the posting of
Mr Douglas to South Canara
Forest Division. Instead
of saying this, the Revenue
Clerk here, Venkatarangula
Chetty, who is destitute
of all understanding,
has gone on bringing
stating that papers which
were here had been
sent to the Registrar
with those connected with
the Cinchona accounts.

The bundle, consisting of the above
current numbers was received here
two weeks ago for seeing what
action was necessary.

But the papers were
not complete - especially ^{the} those
telegram referred to in a pencil
note by the ^{12th} last on C n 3887
and the correspondence antecedent
to it. The wanted papers were called
for in the Madras list of 30th
Sept. In the reply recd from
Coly on the 7th inst, it was stated
that the papers called for with
the exception of his 80 11/8/81 no 1174
had been already put up in the
bundle sent here. I read the

papers carefully on their
arrival and could not dispose
of them for want of the papers
called for. Further C. N. 1551
which is probably the paper
which the Secretary now wants
and of which mention was made
(with other correct numbers connected)
in the Govt list of the 7th inst,
was not received here at all.

Please see the remarks in the
Madras list of the 10th inst.

The references there will
have to look ^{up} for the missing
papers.

The bundle with me is however
returned for inspection if necessary.

Also for the missing papers
being supplied. Without them, the
subject can not be disposed of.

Sir,
In reply to your Official
Memo No. 274 of 27th instant
I have the honor to inform you,
that no Cinchona Charges are
included in the Financial
Statement of the Nilgiri Divi-
sion, the accounts of that de-
partment, do not even go through
my Office. The receipts of the
Nilgiri Division are very small,
as the Mudumallay Forests are
not now being worked.

2. The South Canara re-
ceipts are very small owing
to

to the marked in that Dis-
-trict being glutted with tim-
-ber, as explained in para 59

To

Colonel R. H. Beddome
Conservator of Forests

Sir,

Ootacamund

With reference to para 1 of the Government Official Memo No 293 dated 12 Instant, I have the honor to inform you that since the date (1st February 1881) of the actual transfer of the Chinchona Plantations to the charge of the Forest Department, only Rs 490-14-0 of my pay is exhibited in the account of the latter department but the statement which the Government refer to was not prepared in my Office and no copy of it was either sent to me from yours.

2 Regarding para 2 I have the honor to inform you that in the absence of any instructions from your Account Office regarding Chinchona accounts after 9th December 1880, the usual course of submitting the accounts of the Chinchona (as those of all other minor departments) to the Accountant General through the Comptroller Nilgiris has been adopted.

Further the form of accounts maintained in the Chinikow Department is such that I do not know what and how to submit to you. I shall briefly explain here the system of these accounts.

3 Daily Reports in form No. 1 herewith sent are received by me from the subordinate Officers in charge of the Plantations. The entries in these are duly checked and posted in my office in form No. 2. After the end of each month Journals in form No. 3 are received from the Plantations together with all vouchers and an abstract bill in form No. 4. The Journal (No. 3) is then audited in my office with reference to Daily Journal (No. 2) maintained here, and other vouchers sent from the Plantations. The monthly Journal (No. 3) and the Abstract Bill (No. 4) are then countersigned by me and sent to the Commissioner for payments together with all vouchers above \$100. (those below being cancelled and retained in my office). The Commissioner, I believe, checks the figures in his account office and after payment is forwarded the Journal and Abstract Bill to the Accountant General for final audit.

4 All money belonging to the Chinikow Department are in my hands and no cheques are issued by me as it is done in the Forest Department.

To

The Secretary to Government
Revenue Department

Sir,

Ootacamund

In reply to your endorsement dated 31st ultimo on a letter from the Ag. Commissioner Milgiris dated 17th Idem No 66 (returned herewith), I have the honor to inform you that by the term 'Accounts' used in para 2 of my letter No 194 dated 15th August 1881 to the Conservator of Forests, I meant the Abstract Contingent Bill (Form No 4) presented at the Commissioner's treasury for payment and the Monthly Journal attached thereto (No 3) showing all expenditure (vide also para 3 of my letter).

2 No specific monthly returns of Receipts and Charges have ever been submitted to the Accountant-general or the Conservator of Forests, as they are nowhere prescribed. The Receipts are principally derived from the sale of Chinchona bark in England and the value thereof is credited to the Chinchona Department in the Accounts submitted with the Annual Report, leaving such calculations on the Account sales received from the Home Government - from time to time - Monies

Rev. J. J. J.

for sale of seed and plants are received by
the Asst. Superintendent Addevaattam and the
Head Overseer Dodabetta and paid into the
Government Treasury direct by them sending
the Duplicate Treasury Receipts to my office
for record but in July last I gave
instructions to the officers in subordinate
charge of each Plantation to send me a
Monthly Statement of seed and plants
sold in the enclosed form.
