Sir,

With reference to your
letter N^o 1028 dated 27th December
last I have the honor to inform you
that I placed myself in communica-
tion with the Municipal Commis-
sioners Ostacommund on receipt of G O
dated 16th December 1881 N^o 3632
RD but the Commissioners state they
are unable to make any gratuitous
distribution of Poudrette on account
of the supply on hand being barely
sufficient to meet the demand of
purchasers

purchasers who have already registered their names.

2. The Commissioners are however prepared to supply the Department with a few tons at the usual selling rates and request for any large quantity that may be required for the Chinchona Plantations.

I have &c
