So I see by letter is not. See: but it seems
 unnecessary to say it with such time
 it was intended this
 Govt. should bear the
 charges but there can
 be no harm in restoring
 in the first instance
 what they were. /

By
Mr. G. D. and others,
dated 7th March
1883, No. 10334-1034.

With an order.

ordered that the following
letter be despatched to the Ceylon
Govt. (No. 10334 of 3-83)

7/3/83
Letter to the Hon. the Colonial Secy
Columbo.

With reference to your letters
noted in the margin I am directed

22 Nov. 82 no 54
12 Feb 83 no 14

to say that the cost
of the cinchona seeds
supplied, together with the expenses
attendant on its transmission to Ceylon,
amounts in all to Rs. 28.6.0.
It was however, as can be apparent from
a reference to my letter no 1021 of
the 25th Sept. 1882, the intention of the
Right Hon. the Secy in Council that the
trifling charge should be borne
by His Govt. unless His Excellency
the Govt. of Ceylon sees any reason
to the contrary, no commitment would
appear to be necessary.

Mr. G. D. and others,
dated 7th March
1883, No. 10334-1034.
