GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue, dated 5th September 1883, No. 2629 :—

Read—the following letter from F. BRANDT, Esq., Collector of Nilgiris, to the Secretary to the Board of Revenue, dated Ootacamund, 16th July 1883, No. 269 :—

I have the honor to recommend that Government may be moved to grant extra allowances to the establishment of the Head Assistant Collector at the rates proposed below, as long as that officer is stationed in South-East Wynaad.

2. Under G.O., dated 21st July 1882, No. 2314, Judicial, the Head Assistant Collector was stationed at Devála as a temporary measure. The result is that since his transfer from Coonoor, those employed in his establishments have had all the expenses and inconveniences of camp-life, in a most uncongenial and unhealthy division in which it is always difficult to obtain proper accommodation, and the necessities of life required by natives. And seeing that the arrangement is admittedly temporary and that the state of the mining industry has of late been unfavorable, the uncertainty has been even greater than before.

3. I would further point out that the scale of pay allowed to the establishment is not at all adequate for living in Wynaad, where the prices are so much higher than in Coonoor or Ootacamund. As a matter of fact when the late scheme was framed and sanctioned, it was understood that the Head Assistant Collector was to be stationed at Coonoor, and the rates of pay were no doubt fixed with reference to this point.

As to the difference in cost of living, I beg to give an extract from a letter from Mr. Tremeneere :—

“Merely to compare the prices of necessaries with those at Ootacamund, where they are of course very high—

Rice sells in Ootacamund	at 13 measures.
Do. do. Devála	at 10 do.
Ghee sells in Ootacamund	at 8 annas a bottle.
Do. do. Devála	at 12 do.
Wages of a Cook in Ootacamund	at 8 rupees.*
Do. do. Devála	at 12 rupees.*
Vegetables are 100 per cent. dearer in Devála.	
Oils about 20 or 25 per cent.	
House accommodation is wretched.”	

4. I accordingly beg to propose that the establishment be granted extra allowances as noted in the margin. To the clerks I would allow 50 per cent. on their pay, but I do not think it necessary to allow the same rate to the inferior servants. I further propose that these allowances be granted with retrospective effect from the 1st October 1882, when the Head Assistant Collector took charge of the division.

last; I was about to submit the matter when I received Mr. Garstin's request for recommendations as to increase of establishment and thought of incorporating this addition in the scheme proposed. But the state of things in Wynaad being as it is, the present arrangements can only be considered temporary, and I therefore resolved to deal with this separately.

6. I understand that in Wynaad, Government servants in all departments, other than the Revenue Department, get what are called "Wynaad Allowances," so that my proposal is only to allow the establishment of the Head Assistant Collector a concession which other officials in that part of the country already enjoy.

7. Further, Mr. Wilson, Director of Revenue Settlement, has proposed* the pay shown in the margin for the two clerks he has recommended for the establishment of the officer (of the standing of a Head Assistant Collector) to be appointed for investigating titles in Wynaad. According to my present proposal, the pay of my Head Assistant Collector's Head Clerk will, with the addition now proposed, be only Rs. 75, the same as Mr. Wilson has proposed for a similar appointment, and only Rs. 5 more than a Head Assistant's Head Clerk gets on the plains, while the second clerk will get Rs. 5 less than what has been proposed by Mr. Wilson for the corresponding appointment.

It will be seen that the pay of the Manantody District Collector's establishment is but slightly in excess of that allowed to the establishment of the General.

This is all irrelevant. The pay of the Collector elsewhere, and there is no analogy between does not quite come up to the the Sp. Asst. Collector's requirements of a Head Asst. of the H. A. C. Nilgiris Collector.

sett by the Officers residing
 at the establishment. The duties of both
 the Clerk and attendant can be
 done by one man; the work being
 light. Mr. Garstin proposes no
 change in the care of the establish-
 ment on the ground that a higher
 rate of pay was not considered
 necessary when the establishment
 was organized early last year, but
 he has overlooked the fact that
 the 3d class of this establishment were
 reported to be located at Coouor,
 not at Leovalá. This makes all
 the difference. The proposals
 submitted in this note nearly
 accord with those of Mr. Brandt
 which Mr. Garstin has disapproved.

As regards retroactive
 effect being given to the collectors
 proposals, attention is solicited
 to para 2 of India's Resolution
 in G.O. 10th Sept/88/ no 16 S.G.P.

REVENUE DEPARTMENT.

No. 5863

From Board of Revenue

Dated 5th September 1883 No 2679

FOR ORDERS.

Submitted that if anything submitted that the increase
is given Mr. Brown's proposal
might be halved. Warrant of pay recommended may
allowances are settled in some
portion with allowance be sanctioned as a temporary
the plains, but there were measure. From the 1st October
already draw salaries enhanced
an account of his living. (Horse). Retrospectively
It seems from that the letter from 1st October 1882 seems
may be dis posed of in the
Revenue Dept. with regard to the only question.
to answer that it is hard to make. The increase may perhaps
the clerks suffer, as amount be regarded as part of the
of the delay in sending up the
application. Not as other allowance.

In the latter case, the sanction
of India will be necessary.

The original scale of
establishment as well as
the temporary transfer of
the Head Clerk from Coonoor
to Secvalla was sanctioned
in the Judicial Dept. Might not
the present transfer be also
dealt with in the same Dept
or the Financial?

The Rev Dept is not in
a position to say how long
the H^d Clerk is to remain at
Secvalla; all that it can surmise

say is that if the establish-
ment is to be located at
Secvalla instead of at
Coonoor as was originally
intended, the scale of salaries
should be raised by 50 percent
in the case of the clerks & by
25 in the case of the rest
as proposed by the Collector.
The following note is acc^y
submitted for consideration -

Transferred to the Judicial Dept with the remark
that under the circumstances stated by the Collector, the
increased pay recommended is considered reasonable
in this Dept.

with reference to the same

Every the establishment of

the Deputy Asst. Wynand

compares with that of a 3d

Asst. on the plains & with

that of the St. A. C. Virgin

as follows.

I think that the least
that can be done is to
put the St. A. C. establishment
on the same footing as
the one in the plains
prepared for it in the plains
by the same

	Head Clerk.	2 ^d Clerk.	3 ^d Clerk.	4 th Clerk.	Attendant, President.	Marachi.	St. A. C. Virgin.
Head Clerk.	70						
2 ^d Clerk.	45						
3 ^d Clerk.	35						
Making the difference between the salary pay of that in the St. A. C. Wynand allowance - the arrangements for the temporary							
Head Clerk.	50	45	50				
2 ^d Clerk.	30	20	30				
3 ^d Clerk.	20	15	20				
4 th Clerk.	20	15					
Attendant, President.	8	7					11.00
Marachi.	7	6					7.50

26/9.

From this it appears that the
pay in Wynand is not except
in the case of the 2^d Clerk:
50% higher than in the plains
& also that the scale of the
Virgin St. A. C. has been fixed
higher than in the plains

relatively to the work and
is already as high, in the
case of clerks, as that
of the Wynaad & Co.
Estab^t & higher in the case
of peons.

The reason for the proposal
to halve the increase de-
sired by the Collector Nilgiri
is that the Estab^t at the
Nilgiris are already paid
higher than similar Estab^t
are paid in the plains. The
Wynaad establishments are
supposed to be paid higher in
still larger proportion. ^{They}
to bring the Nilgiri Estab^t
on a par with those in
Wynaad a less proportion

increase is necessary than
to bring the Estab^t on the plains
to the same par. The proposal
of half the increase suggested
by the Col^r is not just
as exactly right, but merely
as a rough adjustment.

The principle that a less
proportionate
increase is required to bring
Nilgiri Estab^t & Wynaad
par them to bring ordinary
Estab^t in the plains to the
same par is, I submit, unques-
tionable.

As to the future of the
given, please see G.O. 10 Sep.
1887 No 1686. I hardly think
however that this applies.
The delay is due to the Col^r.
The matter was moved by
the L.A. in the month after

G.O. 4-10-83 v. 1229.

he was transferred to Nevada
and it is hard to make the clerk
suffer for the delay. Further
the arrangement is, at present
at least, ^{advisedly} temporarily only
