GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue, dated 15th October 1883, Mis. No. 8577 :—

Read—again G.O., dated 19th June 1872, No. 82, Revenue.

Read—the following letter from C. S. CROLE, Esq., Acting Collector of Madura, to the Secretary to the Board of Revenue, dated Madura, 28th August 1883, No. 419 :—

I have the honor to state that, as will be seen from the accompanying sketch, there lies on either side of the line of railway within limits of the Madura municipality a long narrow strip of land measuring 5·1 acres in extent belonging to class B of the railway lands in the possession of the South Indian Railway Company. The Company does not now require it, and the agent has proposed to relinquish the whole of the above tract with the exception of 15 cents towards its southern extremity which the Company requires to be transferred to class A for permanent use, and, on the requisition made by the Consulting Engineer for Railways in his letter No. 616 of the 21st ultimo, the General Deputy Collector has been instructed to take possession of the land which the Company is now prepared to relinquish, viz., 4·86 acres.

2. The tract in question originally consisted of putta lands, both nanjah and punjah, bearing an assessment of Rs. 14-9-2. Its present condition is far from satisfactory. The land is all broken into ditches and hollows where filth and rain or refuse water stagnate all through the year, and is a nuisance to the town. The land will not, in its present state, fetch a proper price if sold by public auction as required by Board's Standing Order No. 13. The Vice-President of the Madura municipality requests that the land may be made over to the municipality with a view to its being reclaimed and utilised by the municipality either as a road or for planting of trees. The Vice-President's proposal seems expedient, and I am of opinion that the land may, with advantage, be made over to the municipality subject, if the Board think necessary, to the payment of the annual assessment due thereon to Government. Should the Board agree with me, I have the honor to request that the Board will be good enough to obtain the early sanction of Government to the transfer of the land, viz., 4·86 acres, now relinquished by the Railway Company to the municipality, and of the remaining 15 cents which the Company requires for permanent use from class B to class A.

Read—the following letter from C. S. CROLE, Esq., Acting Collector of Madura, to the Secretary to the Board of Revenue, dated Kodaikánal, 3rd October 1883, No. 477 :—

With reference to Board's reference on General Register No. 6180, dated 15th September 1883, I have the honor to state that the price, which the land therein referred to, viz., 4·86 acres, would fetch if sold at public auction, is reported to be Rs. 100.

Resolution—dated 15th October 1883, Mis. No. 8577.

Submitted for the orders of Government, with the Board's recommendation that sanction be accorded for the transfer of the land relinquished by the Railway

Company, viz., 4·86 acres, to the Municipal Commissioners of Madura, free of assessment, and of the remaining 15 cents from class B to class A.

2. The Board would not charge the assessment of the land proposed to be made over to the Commissioners.
