GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following letter from E. C. BUCK, Esq., C.S., Secretary to the Government of India, Revenue and Agricultural Department (Revenue), to the Secretary to the Government of Madras, dated Calcutta, the 9th November 1883, No. 1042 R :—

I am directed to acknowledge the receipt of your letter No. 1141, dated the 18th September last, regarding the suggestion of the Government of India that the rules for the disposal of waste lands in the Madras Presidency should be modified in so far as they permit the sale of land free from revenue assessment.

2. It is stated in your letter (i) that the rules for the sale of land free of assessment, which are of general application throughout the Province, are now restricted to plots of ten acres and under, and that the area annually alienated in this way is extremely small; (ii) that the special rules in force in the Wynaad and on the Nílgiri and Shevaroy hills, by which waste land is sold subject to a fixed assessment, with a right to commute at 25 years purchase, are considered most applicable to the peculiar conditions of these hill tracts, and that the grants made under them are extremely few.

Under these circumstances you state that His Excellency the Governor in Council, while recognizing the inexpediency of alienating land in perpetuity revenue-free, prefers to retain the existing rules.

3. In reply, I am directed to state that, in deference to the strongly expressed wish of the Government of Madras, the Governor-General in Council agrees to the continuance of the rules; but I am to add that, should the returns show at any future time that the amount of land annually alienated under the rules threatens to become large, it may be found necessary to reconsider this decision.
