Proceedings of the Board of Revenue.

Miscellaneous

READ the following letter from J. B. Pennington Esquire
Collector of Tinnevely to the Secretary to
the Board of Revenue, Madras, dated Tinnevely
18th April 1883 N^o 254.

In acknowledging the receipt of
the Board Proceedings N^o 935 dated
3^d Instant, I have the honor to point
out that the Board have apparently over-
looked the fact that by accepting the
watershed boundary in the locality des-
cribed 7 acres of a Coffee Estate will
be transferred to Travancore which has
always been held under the British Govt,
and that considerable inconvenience
will probably accrue to the proprietor

in consequence.

2. Moreover the claim is not, as supposed by the Board, a new one: it was made when the Commissioners went over the ground, & was even agreed to as reasonable by the Travancore representative (vide para 6 of the Dy Conservator's letter No 64 dated 1 June 1875 embodied in Board's Proceedings No 3062 dated 8 November 1875).

Resolution.

The Board did not overlook the fact to which the collector adverts, but considered it a matter of trifling importance and to this opinion they adhere.
