To
THE SECRETARY TO THE Government
BOARD OF REVENUE *Dept.*
MADRAS.

SIR,

The Deputy Conservator of Forests, in charge of the Chui chona plantations, represents that much damage is done to the trees in the Chui chona plantations at Neddevittam by Sambar and black monkeys. There is a phikari employed to keep out Sambar and Mr. Goss suggests that he be supplied with a gun at a cost of Rs. 30 or 35 for the destruction of these animals.

2. The proposals appear to be reasonable and I request the sanction of Government to incur the charges.

I have the honor to be,
Sir,

Your most obedient servant,
