Sir

With reference to your official
Memoranda dated 28th and 29th June 1853
respectively, I have the honor to state that
of the 3 descriptions of papers required by
the Superintendent of Chinchona Plantations,
I have with me only one description of
paper, i.e. medium. I shall have it cut
to the size required. I have not got the
country paper of the size required, but
the contractor has promised to give it within
a week. Printing Demy 17th is not
available either in store or in the local
market. I have therefore purchased
Printing Demy 18th which is as good as
that of 17th, and I trust that the Govern-
ment will approve the purchase made
in anticipation of sanction. The mill
boards and Card boards are available
in store, and I have sent them to the
Leont Press to be cut to the sizes required.

I shall send all the above mentioned

Articles

articles to the Superintendent of Chinaman
Plantations within a week.

I have the honor to be
Sir
Your most obedt servant
