3. Slegur Dora	10-0-0
4. Loss sustained in Raji & rice during the famine	149-12-0
	<u>336-15-0</u>

To the Collector of Nilgiris

2. As regards Neddivattun Item No I is

is of old standing, and was handed over by Mr. Rowen as an old debt. It consists of the following details.

a. Vos Haunma	200-0-0
b. Hunjah	61-4-2
c. Mullah	61-3-1
d. Curraya	100-0-0
e. Veera	18-2-6
	<u>440-9-9</u>

a - Not seen since 1876. A warrant was taken out against this man, who was however never found.

b. - Died of Cholera at Neddivattum in May 1877.

c. - Also died of Cholera at same time.

d. - Failed in Contract, was prosecuted and sentenced to 3 months imprisonment. Has not since been heard of.

e. Drew Rs 18-2-6. advance in grain and then absconded.

Item 2. Loss sustained in raji by damp & rats.

Item 3. - This man was prosecuted and sentenced to 3 months imprisonment, he has gone off to his village in Malabar, and I have ascertained from the Ernad Tahsildar that he is a pauper, so it is useless proceeding

proceeding against him.

Item 4. A decree & warrant was obtained against this man. He has however gone off & cannot now be found. -

Item 5. This man is now working in the estate as a masonry, on 12 Rs a month permanent pay. He fell sick, and his coolies deserted him, and being a pauper it is useless to proceed against him. He is an excellent man to get work out of coolies and is on that account kept on the estate. His debt had better be written off.

Dodabetta

Item I Copy of the Head-overseer's letter and statement is herewith forwarded. and with regard to Items 2-3 & 4 I append a Certificate of Mr. Narainsami Naidu the present Assistant Superintendent.

"I do hereby certify that the parties by whom the above sum is due, some have died, some absconded, and some have disowned. A loss of Rs 149-12-0 was sustained

sustained in issuing rice and
ragi to Coolies during the famine
time.

3. I think enough will have
been said to show that these are
really hopelessly bad debts, and
through no fault of the subordinates
and in my opinion it is quite time
they were written off the accounts
altogether, as they have been
in some cases carried on year
after year and only complicate
matters. With these written off
and with our new agreements,
a fresh start will have been
made and at the close of each
year there can be no reason why
the permanent advances for each
year should not be reported as
cleared off.

4. The orders of Government for
writing off these amounts will be
required, and I request therefore
that you will be pleased to
forward this letter to them with
your remarks.
